

Betreff: "Pharmacology International" & WorldPharma2010 Information

Dear Colleagues,

We are excited to bring you the final details about WorldPharma2010 (WP2010), from July 17th to 23rd, 2010, the first World Congress of Pharmacology to combine basic and clinical pharmacology. The June 2010 issue of "Pharmacology International" provides details about the Congress, facts about Copenhagen for planning your trip, and tips on things to do in Denmark.

We would appreciate if you would post the newsletter or forward this e-mail to all of your members as it contains important information regarding WP2010.

Highlights:

WorldPharma2010 general information, program highlights, satellite meetings, information on touring Copenhagen, and more...
